Exhibit A.

PLAN OF SEWERAGE FOR AUBURN
BEING THAT PART OF DISTRICT 4 OF DIVISION 6

BOUNDED AND DESCRIBED AS FOLLOWS

Commencing at a point 8x(eight) feet south of the South line of Auburn Street and one hundred (one hundred) feet north of the Millen Street Avenue north boundary line, said point being the intersection of the South line of Auburn Street and the East line of Division No. 6 of the City of Fort Wayne, Indiana, thence northwardly parallel with the East line of said Division No. 6 to the North line of Auburn Street, thence westwardly with said line parallel with the South line of Auburn Street to the East line of Division No. 4 of said City, thence northwardly with said East line of Division No. 4 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 3 of said City, thence northwardly with said East line of Division No. 3 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 2 of said City, thence northwardly with said East line of Division No. 2 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 1 of said City, thence northwardly with said East line of Division No. 1 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 5 of said City, thence northwardly with said East line of Division No. 5 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 6 of said City, thence northwardly with said East line of Division No. 6 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 7 of said City, thence northwardly with said East line of Division No. 7 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 8 of said City, thence northwardly with said East line of Division No. 8 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 9 of said City, thence northwardly with said East line of Division No. 9 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 10 of said City, thence northwardly with said East line of Division No. 10 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 11 of said City, thence northwardly with said East line of Division No. 11 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 12 of said City, thence northwardly with said East line of Division No. 12 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 13 of said City, thence northwardly with said East line of Division No. 13 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 14 of said City, thence northwardly with said East line of Division No. 14 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 15 of said City, thence northwardly with said East line of Division No. 15 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 16 of said City, thence northwardly with said East line of Division No. 16 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 17 of said City, thence northwardly with said East line of Division No. 17 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 18 of said City, thence northwardly with said East line of Division No. 18 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 19 of said City, thence northwardly with said East line of Division No. 19 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 20 of said City, thence northwardly with said East line of Division No. 20 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 21 of said City, thence northwardly with said East line of Division No. 21 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 22 of said City, thence northwardly with said East line of Division No. 22 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 23 of said City, thence northwardly with said East line of Division No. 23 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 24 of said City, thence northwardly with said East line of Division No. 24 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 25 of said City, thence northwardly with said East line of Division No. 25 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 26 of said City, thence northwardly with said East line of Division No. 26 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 27 of said City, thence northwardly with said East line of Division No. 27 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 28 of said City, thence northwardly with said East line of Division No. 28 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 29 of said City, thence northwardly with said East line of Division No. 29 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 30 of said City, thence northwardly with said East line of Division No. 30 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 31 of said City, thence northwardly with said East line of Division No. 31 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 32 of said City, thence northwardly with said East line of Division No. 32 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 33 of said City, thence northwardly with said East line of Division No. 33 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 34 of said City, thence northwardly with said East line of Division No. 34 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 35 of said City, thence northwardly with said East line of Division No. 35 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 36 of said City, thence northwardly with said East line of Division No. 36 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 37 of said City, thence northwardly with said East line of Division No. 37 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 38 of said City, thence northwardly with said East line of Division No. 38 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 39 of said City, thence northwardly with said East line of Division No. 39 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 40 of said City, thence northwardly with said East line of Division No. 40 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 41 of said City, thence northwardly with said East line of Division No. 41 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 42 of said City, thence northwardly with said East line of Division No. 42 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 43 of said City, thence northwardly with said East line of Division No. 43 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 44 of said City, thence northwardly with said East line of Division No. 44 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 45 of said City, thence northwardly with said East line of Division No. 45 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 46 of said City, thence northwardly with said East line of Division No. 46 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 47 of said City, thence northwardly with said East line of Division No. 47 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 48 of said City, thence northwardly with said East line of Division No. 48 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 49 of said City, thence northwardly with said East line of Division No. 49 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 50 of said City, thence northwardly with said East line of Division No. 50 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 51 of said City, thence northwardly with said East line of Division No. 51 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 52 of said City, thence northwardly with said East line of Division No. 52 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 53 of said City, thence northwardly with said East line of Division No. 53 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 54 of said City, thence northwardly with said East line of Division No. 54 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 55 of said City, thence northwardly with said East line of Division No. 55 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 56 of said City, thence northwardly with said East line of Division No. 56 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 57 of said City, thence northwardly with said East line of Division No. 57 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 58 of said City, thence northwardly with said East line of Division No. 58 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 59 of said City, thence northwardly with said East line of Division No. 59 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 60 of said City, thence northwardly with said East line of Division No. 60 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 61 of said City, thence northwardly with said East line of Division No. 61 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 62 of said City, thence northwardly with said East line of Division No. 62 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 63 of said City, thence northwardly with said East line of Division No. 63 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 64 of said City, thence northwardly with said East line of Division No. 64 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 65 of said City, thence northwardly with said East line of Division No. 65 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 66 of said City, thence northwardly with said East line of Division No. 66 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 67 of said City, thence northwardly with said East line of Division No. 67 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 68 of said City, thence northwardly with said East line of Division No. 68 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 69 of said City, thence northwardly with said East line of Division No. 69 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 70 of said City, thence northwardly with said East line of Division No. 70 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 71 of said City, thence northwardly with said East line of Division No. 71 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 72 of said City, thence northwardly with said East line of Division No. 72 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 73 of said City, thence northwardly with said East line of Division No. 73 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 74 of said City, thence northwardly with said East line of Division No. 74 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 75 of said City, thence northwardly with said East line of Division No. 75 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 76 of said City, thence northwardly with said East line of Division No. 76 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 77 of said City, thence northwardly with said East line of Division No. 77 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 78 of said City, thence northwardly with said East line of Division No. 78 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 79 of said City, thence northwardly with said East line of Division No. 79 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 80 of said City, thence northwardly with said East line of Division No. 80 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 81 of said City, thence northwardly with said East line of Division No. 81 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 82 of said City, thence northwardly with said East line of Division No. 82 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 83 of said City, thence northwardly with said East line of Division No. 83 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 84 of said City, thence northwardly with said East line of Division No. 84 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 85 of said City, thence northwardly with said East line of Division No. 85 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 86 of said City, thence northwardly with said East line of Division No. 86 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 87 of said City, thence northwardly with said East line of Division No. 87 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 88 of said City, thence northwardly with said East line of Division No. 88 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 89 of said City, thence northwardly with said East line of Division No. 89 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 90 of said City, thence northwardly with said East line of Division No. 90 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 91 of said City, thence northwardly with said East line of Division No. 91 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 92 of said City, thence northwardly with said East line of Division No. 92 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 93 of said City, thence northwardly with said East line of Division No. 93 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 94 of said City, thence northwardly with said East line of Division No. 94 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 95 of said City, thence northwardly with said East line of Division No. 95 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 96 of said City, thence northwardly with said East line of Division No. 96 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 97 of said City, thence northwardly with said East line of Division No. 97 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 98 of said City, thence northwardly with said East line of Division No. 98 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 99 of said City, thence northwardly with said East line of Division No. 99 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 100 of said City, thence northwardly with said East line of Division No. 100 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 101 of said City, thence northwardly with said East line of Division No. 101 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 102 of said City, thence northwardly with said East line of Division No. 102 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 103 of said City, thence northwardly with said East line of Division No. 103 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 104 of said City, thence northwardly with said East line of Division No. 104 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 105 of said City, thence northwardly with said East line of Division No. 105 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 106 of said City, thence northwardly with said East line of Division No. 106 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 107 of said City, thence northwardly with said East line of Division No. 107 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 108 of said City, thence northwardly with said East line of Division No. 108 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 109 of said City, thence northwardly with said East line of Division No. 109 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 110 of said City, thence northwardly with said East line of Division No. 110 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 111 of said City, thence northwardly with said East line of Division No. 111 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 112 of said City, thence northwardly with said East line of Division No. 112 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 113 of said City, thence northwardly with said East line of Division No. 113 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 114 of said City, thence northwardly with said East line of Division No. 114 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 115 of said City, thence northwardly with said East line of Division No. 115 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 116 of said City, thence northwardly with said East line of Division No. 116 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 117 of said City, thence northwardly with said East line of Division No. 117 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 118 of said City, thence northwardly with said East line of Division No. 118 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 119 of said City, thence northwardly with said East line of Division No. 119 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 120 of said City, thence northwardly with said East line of Division No. 120 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 121 of said City, thence northwardly with said East line of Division No. 121 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 122 of said City, thence northwardly with said East line of Division No. 122 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 123 of said City, thence northwardly with said East line of Division No. 123 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 124 of said City, thence northwardly with said East line of Division No. 124 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 125 of said City, thence northwardly with said East line of Division No. 125 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 126 of said City, thence northwardly with said East line of Division No. 126 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 127 of said City, thence northwardly with said East line of Division No. 127 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 128 of said City, thence northwardly with said East line of Division No. 128 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 129 of said City, thence northwardly with said East line of Division No. 129 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 130 of said City, thence northwardly with said East line of Division No. 130 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 131 of said City, thence northwardly with said East line of Division No. 131 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 132 of said City, thence northwardly with said East line of Division No. 132 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 133 of said City, thence northwardly with said East line of Division No. 133 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 134 of said City, thence northwardly with said East line of Division No. 134 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 135 of said City, thence northwardly with said East line of Division No. 135 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 136 of said City, thence northwardly with said East line of Division No. 136 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 137 of said City, thence northwardly with said East line of Division No. 137 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 138 of said City, thence northwardly with said East line of Division No. 138 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 139 of said City, thence northwardly with said East line of Division No. 139 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 140 of said City, thence northwardly with said East line of Division No. 140 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 141 of said City, thence northwardly with said East line of Division No. 141 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 142 of said City, thence northwardly with said East line of Division No. 142 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 143 of said City, thence northwardly with said East line of Division No. 143 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 144 of said City, thence northwardly with said East line of Division No. 144 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 145 of said City, thence northwardly with said East line of Division No. 145 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 146 of said City, thence northwardly with said East line of Division No. 146 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 147 of said City, thence northwardly with said East line of Division No. 147 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 148 of said City, thence northwardly with said East line of Division No. 148 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 149 of said City, thence northwardly with said East line of Division No. 149 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 150 of said City, thence northwardly with said East line of Division No. 150 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 151 of said City, thence northwardly with said East line of Division No. 151 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 152 of said City, thence northwardly with said East line of Division No. 152 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 153 of said City, thence northwardly with said East line of Division No. 153 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 154 of said City, thence northwardly with said East line of Division No. 154 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 155 of said City, thence northwardly with said East line of Division No. 155 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 156 of said City, thence northwardly with said East line of Division No. 156 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 157 of said City, thence northwardly with said East line of Division No. 157 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 158 of said City, thence northwardly with said East line of Division No. 158 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 159 of said City, thence northwardly with said East line of Division No. 159 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 160 of said City, thence northwardly with said East line of Division No. 160 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 161 of said City, thence northwardly with said East line of Division No. 161 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 162 of said City, thence northwardly with said East line of Division No. 162 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 163 of said City, thence northwardly with said East line of Division No. 163 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 164 of said City, thence northwardly with said East line of Division No. 164 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 165 of said City, thence northwardly with said East line of Division No. 165 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 166 of said City, thence northwardly with said East line of Division No. 166 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 167 of said City, thence northwardly with said East line of Division No. 167 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 168 of said City, thence northwardly with said East line of Division No. 168 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 169 of said City, thence northwardly with said East line of Division No. 169 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 170 of said City, thence northwardly with said East line of Division No. 170 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 171 of said City, thence northwardly with said East line of Division No. 171 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 172 of said City, thence northwardly with said East line of Division No. 172 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 173 of said City, thence northwardly with said East line of Division No. 173 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 174 of said City, thence northwardly with said East line of Division No. 174 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 175 of said City, thence northwardly with said East line of Division No. 175 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 176 of said City, thence northwardly with said East line of Division No. 176 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 177 of said City, thence northwardly with said East line of Division No. 177 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 178 of said City, thence northwardly with said East line of Division No. 178 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 179 of said City, thence northwardly with said East line of Division No. 179 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 180 of said City, thence northwardly with said East line of Division No. 180 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 181 of said City, thence northwardly with said East line of Division No. 181 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 182 of said City, thence northwardly with said East line of Division No. 182 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 183 of said City, thence northwardly with said East line of Division No. 183 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 184 of said City, thence northwardly with said East line of Division No. 184 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 185 of said City, thence northwardly with said East line of Division No. 185 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 186 of said City, thence northwardly with said East line of Division No. 186 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 187 of said City, thence northwardly with said East line of Division No. 187 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 188 of said City, thence northwardly with said East line of Division No. 188 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 189 of said City, thence northwardly with said East line of Division No. 189 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 190 of said City, thence northwardly with said East line of Division No. 190 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 191 of said City, thence northwardly with said East line of Division No. 191 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 192 of said City, thence northwardly with said East line of Division No. 192 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 193 of said City, thence northwardly with said East line of Division No. 193 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 194 of said City, thence northwardly with said East line of Division No. 194 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 195 of said City, thence northwardly with said East line of Division No. 195 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 196 of said City, thence northwardly with said East line of Division No. 196 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 197 of said City, thence northwardly with said East line of Division No. 197 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 198 of said City, thence northwardly with said East line of Division No. 198 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 199 of said City, thence northwardly with said East line of Division No. 199 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 200 of said City, thence northwardly with said East line of Division No. 200 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 201 of said City, thence northwardly with said East line of Division No. 201 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 202 of said City, thence northwardly with said East line of Division No. 202 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 203 of said City, thence northwardly with said East line of Division No. 203 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 204 of said City, thence northwardly with said East line of Division No. 204 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 205 of said City, thence northwardly with said East line of Division No. 205 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 206 of said City, thence northwardly with said East line of Division No. 206 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 207 of said City, thence northwardly with said East line of Division No. 207 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 208 of said City, thence northwardly with said East line of Division No. 208 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 209 of said City, thence northwardly with said East line of Division No. 209 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 210 of said City, thence northwardly with said East line of Division No. 210 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 211 of said City, thence northwardly with said East line of Division No. 211 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 212 of said City, thence northwardly with said East line of Division No. 212 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 213 of said City, thence northwardly with said East line of Division No. 213 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 214 of said City, thence northwardly with said East line of Division No. 214 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 215 of said City, thence northwardly with said East line of Division No. 215 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 216 of said City, thence northwardly with said East line of Division No. 216 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 217 of said City, thence northwardly with said East line of Division No. 217 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 218 of said City, thence northwardly with said East line of Division No. 218 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 219 of said City, thence northwardly with said East line of Division No. 219 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 220 of said City, thence northwardly with said East line of Division No. 220 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 221 of said City, thence northwardly with said East line of Division No. 221 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 222 of said City, thence northwardly with said East line of Division No. 222 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 223 of said City, thence northwardly with said East line of Division No. 223 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 224 of said City, thence northwardly with said East line of Division No. 224 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 225 of said City, thence northwardly with said East line of Division No. 225 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 226 of said City, thence northwardly with said East line of Division No. 226 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 227 of said City, thence northwardly with said East line of Division No. 227 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 228 of said City, thence northwardly with said East line of Division No. 228 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 229 of said City, thence northwardly with said East line of Division No. 229 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 230 of said City, thence northwardly with said East line of Division No. 230 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 231 of said City, thence northwardly with said East line of Division No. 231 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 232 of said City, thence northwardly with said East line of Division No. 232 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 233 of said City, thence northwardly with said East line of Division No. 233 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 234 of said City, thence northwardly with said East line of Division No. 234 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 235 of said City, thence northwardly with said East line of Division No. 235 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 236 of said City, thence northwardly with said East line of Division No. 236 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 237 of said City, thence northwardly with said East line of Division No. 237 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 238 of said City, thence northwardly with said East line of Division No. 238 to the North line of Auburn Street, thence westwardly parallel with the South line of Auburn Street to the East line of Division No. 239 of said City, thence northwardly with said East line of Division No.
