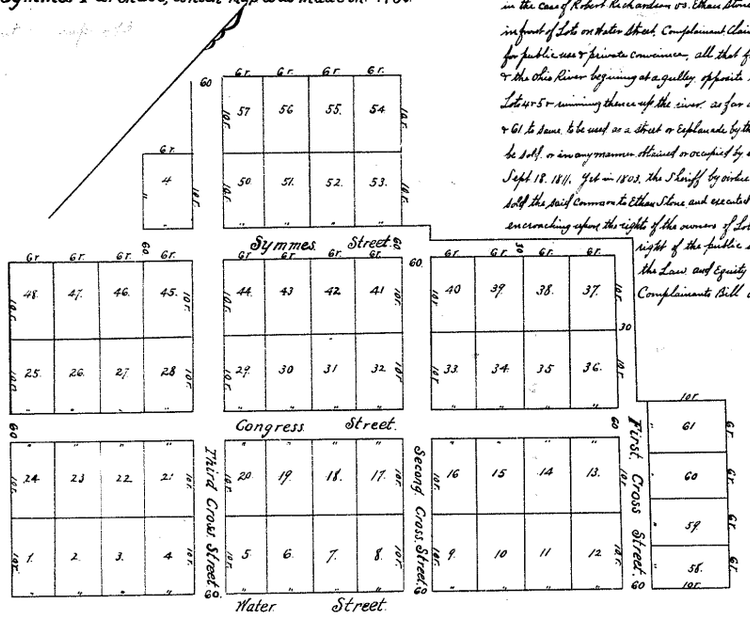
Map of Lots laid out by Hon John Cleves Symmes in the East part of the Town of Cincinnati, being part of the Symmes Purchase, which map was made in. 1790.



The regular Course of the Streets & Lines running from the River were at that time North 44. or North 46 Brought into Court February Term 1828. (Vol. 42 ff. 272-284) in the Case of Robert Richardson vs. Isaac Stone concerning a Common or Esplanade in front of Lots on Water Street. Complainant claims that said Symmes did set apart for public use & private convenience, all that fraction of land lying between Water Street & the Ohio River beginning at a gulley opposite the mouth of Short Cross Street between Lots 4 & 5 & running thence up the river as far as the eastern boundary of Lots 58. 59. 60 & 61 to Same, to be used as a Street or Esplanade by the people generally & which was never to be sold or in any manner obtained or occupied by erections or buildings. This Plat recorded Sept 18. 1811. Yet in 1803, the Sheriff by order of execution against the said Symmes sold the said Common to Ethan Stone and executed to him a Deed for the Same. Stone encroaching upon the right of the owners of Lots adjacent to said grounds & the right of the public in general. Court finds that the Laws and Equity of the Case are with the Defendant. Complainants Bill dismissed &c.
