(403) Page 637-640 (Aug Term 1883) Partition of estate of James Seward died viz. all that North part of Sec. 11, T. 2, R. 1, Custer M. C. being from E. line 137 ch. 20 rods wide from N. of the adjoining northw. along the E. line of said sec. Southw. along the line of blocks border to the E. line of the S. line of said sec. Containing 20 acres thereby also 18 1/2 acres S. of long part of the surface in said sec. or about 60 acres (also land in Butler Co.). Court had previously caused to be set off as widow's dower all that tract N. of said road bounded by the N. E. line of the tract back tract & by mill creek (excluding) so as to include 80 acres ther. Line from mill creek west long 175 ft. S. E. line from mill creek S. being 14 1/2 ch. as by reference to the proceedings in that case will more fully appear. Commissioner Report says we have acutually by actual survey that the lines of the lands do not exactly agree with the order to have stranger and the tract line shorter than the town describes in the order but the quantity is the same as stated in the order. The town thought proper to divide the lands accordingly as the Commissioner's survey states and Plan of the North part of the above Sec. 11, including all of the 123 1/2 acres partitioned among the heirs.
